

My Device Portal: Edit a Device

Edit a Device

The screenshot shows the 'Sign On' page of the Montclair State University My Devices Portal. The header includes the university logo and the title 'My Devices Portal'. The main content area has a 'Sign On' heading and a welcome message. Below this are two input fields: 'NetID:' (labeled with a red circle 1) and 'Password:' (labeled with a red circle 2). A red 'Sign On' button is positioned below the password field. A small 'Help' link is at the bottom.

Enter your **Montclair State NetID** and **password**

Click **Sign On**

Select a device to edit.

The screenshot shows the 'Manage Device' page. It has a heading 'Manage Device' and a sub-heading 'Select an operation you would like to perform on your device.' Below this is a table with device information: 'Device name: My Gaming Console', 'Device ID (mac-address): AA:BB:CC:11:22:33', and 'Contact Phone Number: 973-655-0800'. Below the table are three buttons: 'Lost or Stolen' (labeled with a red circle 4), 'Edit', and 'Delete'. A red 'Close' button is at the bottom.

Click **Edit**

The screenshot shows the 'Edit Device' page. It has a heading 'Edit Device' and a sub-heading 'You can only change the description. If the Device ID is incorrect, delete the device and add it again.' Below this is a table with device information: 'Device status: Not Registered', 'Device name: My Gaming Console', and 'Device ID: AA:BB:CC:11:22:33'. Below the table is a 'Description:' input field (labeled with a red circle 5). Below the input field are two buttons: 'Submit' (labeled with a red circle 6) and 'Cancel'.

Enter a **Description**

Click **Submit**
