SERVICES AND RESOURCES FOR FACULTY

Liaison Librarians. Each academic department has a librarian, a main point of contact for any library-related questions. Connect your graduate students and upper undergraduates with their librarian.

Library Instruction. Invite a librarian to speak with your class about information literacy and research skills, including Educated Citizenry courses that are part of SEEDS General Education.
montclair.libinsight.com/LibraryInstructionRequestForm

EZBorrow & Interlibrary Services. Request books, journal articles, and book chapters from other libraries, or request copies of materials from our print collections.

RESEARCH HELP

Reserves. Put library books, personal copies of books, chapters, and more on reserve for students.

Navigate. Faculty can direct students to library research support by issuing an ad-hoc alert.

Citing Sources. Send students here for help.
montclair.libguides.com/citing

Canvas and Library Integration. Easily link library resources and services in Canvas.
montclair.libguides.com/canvas-library-integration

Open Educational Resources. Review our guide to help you find free/open textbooks, images, and more.
montclair.libguides.com/oer

Reciprocal Borrowing. Get borrowing privileges at other academic and public libraries through one of our network agreements - VALE, ReBL and PALCI.

Digital Commons. Authors and researchers can share their scholarly works and data here.
digitalcommons.montclair.edu

Proxy Accounts. Allow a student or staff member to borrow and pick up library materials on your behalf (Sprague Library)
