Montclair State University Guest NetAccess Registration Page

Sign on with the username and password provided to you. If you have not been provided a username and password please use the link below to register for a temporary account.

If you have a Montclair State University NetID, do not connect to MSU-Guest and instead use your NetID to connect to MSU-Secure (or MSU-WiFi if your device cannot connect to MSU-Secure).

Each device connecting to the MSU Network must meet the following minimum requirements:

- All major patches installed for your Operating System
- Automatic Operating System updates enabled
- Anti-Virus software installed with up-to-date definitions

Each Guest must read and accept the Policy on Responsible Use of University Computing Resources displayed on the next page.
