

Self Service Banner (SSB)

Banner is the official student system of record at Montclair State University. It contains information on students, faculty, staff, and alumni for various aspects of their involvement with MSU. Banner consists of two areas: INB and SSB.

Internet Native Banner (INB) is the location where the administration of the system occurs. Data can be entered, edited, and changed within INB by a select group of users typically in the Administrative roles. To request access to INB, *Banner INB Navigation Demonstration* training must be completed, and a request must be submitted via a SNOW ticket.

Self Service Banner (SSB) is the front end of the system which allows faculty/advisors to view select information regarding their courses, advisees as well as student information. Faculty and advisers automatically have access to SSB. Staff must request access via a SNOW ticket.

ServiceNow (SNOW) ticket can be opened with the IT Service Desk by calling ext. 7971 option 5.

Once the grading period has ended and is closed, final grades can be found under **Faculty Grade Summary**.

Incomplete Grade Summary

An **Incomplete** grade must be entered in two steps: on the grade roster and then on an additional confirmation page where you will see the scheduled “F” conversion date by which the final grade must be submitted to the Registrar (see below). Completing this two-step process is necessary for the incomplete grade to be recorded properly. A paper grade change form must be submitted for the later grade change request.

A screenshot of the 'Incomplete Final Grades' form. The form has a table with columns: Record Number, Student Name, ID, Grade, Rolles, Incomplete Final Grade, Extension Date (MM/DD/YYYY), and Extension Date Constraints. The first row shows a record with ID '1', Grade 'IN', Rolles 'N', Incomplete Final Grade 'F', and Extension Date '02/15/2017'. The 'Grade', 'Rolles', 'Incomplete Final Grade', and 'Extension Date' fields are highlighted with red rectangular boxes. Below the table are buttons for 'Submit', 'Cancel', and 'Reset'.
