

## MSU Guest Mac OS

MSU Guest Mac OS

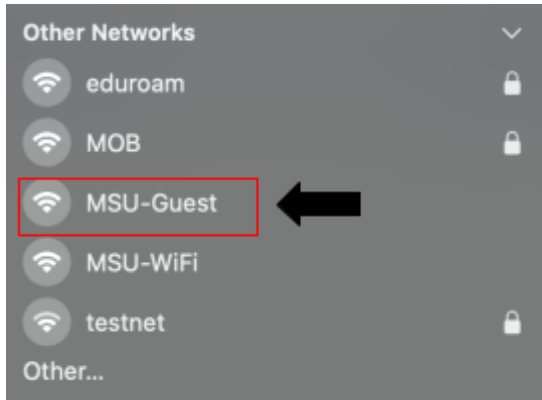

1. Click the WiFi icon

The wifi icon is located on the top right corner of the screen .

2. Select MSU-Guest.

Select **Other Networks** from the list of available Wi-Fi networks. Select **Other Networks** from the list of available Wi-Fi networks

3. Open a web browser if prompted.

After selecting **MSU-Guest**, you will be redirected to the **Guest Portal**. Enter your credentials.

A screenshot of the Montclair State University Guest Portal. At the top left is the Montclair State University logo. To the right is the title 'Guest Portal'. Below this is a section titled 'Montclair State University Guest NetAccess Registration Page'. The text reads: 'Sign on with the username and password provided to you. If you have not been provided a username and password please use the link below to register for a temporary account.' followed by 'If you have a Montclair State University NetID, do not connect to MSU-Guest and instead use your NetID to connect to MSU-Secure (or MSU-WiFi if your device cannot connect to MSU-Secure).'. Below this is a red heading: 'Each device connecting to the MSU Network must meet the following minimum requirements:'. This is followed by a bulleted list: '• All major patches installed for your Operating System', '• Automatic Operating System updates enabled', and '• Anti-Virus software installed with up-to-date definitions'. Below the list is a paragraph: 'Each Guest must read and accept the Policy on Responsible Use of University Computing Resources displayed on the next page.' At the bottom is a login form with a 'Username:' label and a text input field, a 'Password:' label and a text input field, and a 'Reset Password' link in red text.

4. Accept the guest terms.

Review the **Policy on Responsible Use of Computing**, scroll to the bottom of the page, and click **Accept** to continue.

**Acceptable Use Policy**  
You are required to read the entire Acceptable Use Policy before you will be permitted access onto the network.
