Workday KM Media Group LLC dba One Source Solutions
Supplier Punch-Out Job Aid:

KM Media Group LLC dba One Source Solutions is a punch-out catalog in Workday for Digital Printing & Photocopying products. Requisitions for KM Media Group LLC dba One Source Solutions should be entered through the punch-out process (i.e. WB Mason, Grainger, Dell Marketing, MRA, Fisher Scientific, and HD Supply), using “Punch-Out Catalogs” as the requisition type.

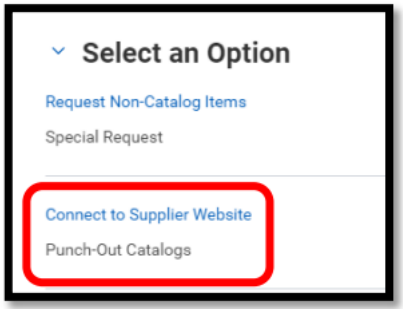

Note: If the on-demand print piece you are looking for is not available through the punchout system, a "**Digital and Print Design Job Request**" can be made to the University Communications and Marketing (UCM) Division. This shifts the process from do-it-yourself to having UCM manage the project and should be used when **strategic communications support** is required beyond the options available in the punchout. Refer to the Non-Punchout section of this Job Aid for additional information on that process.
