

OUR PROJECT

Hi! My names is Elaine and these are my friends, Laura and Patricia.

I am a teacher and Laura and Patricia work with me.

We are trying to find out more about how kids like you learn to talk.

If you decide to be in our project, we will play some talking and listening games.

We will look at some pictures and say the names of the things we see in the pictures.

We may check your hearing.

We may look in your mouth to check your teeth.

We will use a machine to record our voices while we play talking games.

We might also use a video camera.

If you get tired, you can take a break
whenever you want.

You can go stop whenever you want.

Just ask us!

We hope you will have fun playing our games.

You are helping us.

We will give you a prize to thank you for being a helper.

Do you want to be part of our project?
