SERVICES AND RESOURCES FOR UNDERGRADUATE STUDENTS

The library is a starting place for any of your research and studying needs. Not only do we provide you with print and online access to a large collection of books, journals, articles, academic databases, streaming media and more, we also have many services and spaces to make your life easier.

Ask A Librarian
Get help over chat, email, make an appointment, or search the FAQ.

Research Guides
Librarian recommendations, arranged by subject, topic, or course. Find these from our website and linked in your Canvas courses under "Library Resources."

Study Spaces
Silent, quiet, and group study spaces are available. Book rooms in advance or see all our spaces, including new study pods, on our website.

Technology, Printing, Laptop Lending
Use our print lab, borrow a laptop or other equipment, make free scans, or use one of our group videoconferencing/collaborative rooms.

Course Reserves
A temporary collection of short-term loan materials (e.g., books, media, lecture notes, sample exams, etc.) available behind the front desk in the library lobby. E-reserves can be found in your Canvas course.

EZBorrow & Interlibrary Services
When something you need isn't in the library collection, request the book, journal articles, or book chapters from other libraries through this service (at no cost to you!).

Board Games, Puzzles, Book Clubs and Fun!
Check out games from the front desk or find a puzzle in progress in the library.
