Curriculum Development Experience

From College to Career: Preparing for the World of Work (CHSC 299)
Co-wrote developed course proposal and full curriculum for 3-credit career development course in response to identified needs of student population. Course offering grew from 1 section to 5 sections offered a semester. Update curriculum on a semesterly basis, support new instructors, and currently developing a fully async online section for Spring 2025.

Working with Diverse Families (FSHD 418)

Developed curriculum for hybrid version of the course. Developed curriculum for fully async version of course. Provided training and support for new instructors.

New Student Seminar (GNED 199)

Served on campus wide curriculum committee that reviews and updates curriculum for consistent experience across 100+ sections annually. Served as chair, co-chair, and member roles.

University Fellows Training Course

Co-developed 8-week async course from proposal to implementation to support the training of over 100 student leaders in preparation for them to serve as class mentors for new student seminar course.

College Student Success Seminar (CSS-100)

Served on campus wide curriculum committee that reviews and updates curriculum. Developed proposals for hybrid and accelerated versions of course.
