Curriculum Vitae
Adam P. Natoli, Ph.D., *Ronald E. McNair Scholar*

Psychology Department
Montclair State University
1 Normal Ave.
Montclair, NJ 07043 USA

Email: natolia@montclair.edu
Website: www.APNatoli.com

POSITIONS

2025 – Present *Assistant Professor of Quantitative and Clinical Psychology*
Psychology Department
Montclair State University, Montclair, NJ, USA

2023 – Present *Owner & Lead Consultant*
Natoli Services, LLC.

2020 – 2025 *Assistant Professor of Clinical Psychology*
Department of Psychology & Philosophy
Sam Houston State University, Huntsville, TX, USA

PROFESSIONAL LICENSES

Licensed Psychologist, State of Texas (#38771)

ACADEMIC HISTORY

2015 – 2020 *Doctor of Philosophy*, Clinical Psychology (George Stricker Research Fellow)
Adelphi University, Garden City, NY
Dissertation: *The Moderating Role of Personality Functioning in Multimethod Assessment of Interpersonal Dependency: Evaluating Implicit – Self-Attributed Test Score Discontinuity*
(Chair: Robert F. Bornstein, Ph.D.)

2015 – 2017 *Master of Arts*, Clinical Psychology (en passant)
Adelphi University, Garden City, NY

2013 – 2015 *Master of Science*, Clinical Psychology
Eastern Michigan University, Ypsilanti, MI

2010 – 2012 *Bachelor of Arts*, Psychology (Ronald E. McNair Scholar) *Summa Cum Laude*
Rider University, Lawrenceville, NJ

2007 – 2010 Mercer County Community College, West Windsor, NJ

GRANT-FUNDING (*Travel awards not listed*) (*All in USD$*)

*Denotes A. Natoli served as Faculty Mentor on grant awarded to recipient

2026 – 2027 *Student-Led Research, Scholarship, & Creative Activities Award, Montclair State University's Office of Sponsored Programs. *Resilience, empowerment, & AI for college health,* Faculty Mentor of Student PI (Bsharat). Total Support: $4,000.

2025 – 2027 Start-Up Grant, United States - Israel Binational Science Foundation (BSF). *Psychometric examination of dimensional personality measures across 40 countries and 26 languages*, PI. Total Support: $180,000. Proposal No. 2024041.

2024 – 2025 AIM-AHEAD Program for Artificial Intelligence Readiness (PAIR), National Institutes of Health (Phase II). *Depression screening for migrant worker communities in Texas using an AI/ML powered bilingual mobile app*, Co-I. Total Support: $149,608. NIH Agreement No. 1OT2OD032581-01.

2024 – 2025 Pilot Studies for Future Funding Program Grant, Sam Houston State University. *Development and implementation of the Assessment Practice Research Network (APRN)*, PI. Total Support: $12,000. [Funding returned due to PI's departure from SHSU for a new university.]

2024 – 2025 Interdisciplinary Collaboration Program Grant, Sam Houston State University. *The effects of stress and personality on cognitive performance in dogs*, Co-I. Total Support: $10,766.

2023 – 2024 AIM-AHEAD Program for Artificial Intelligence Readiness (PAIR), National Institutes of Health (Phase I). *Building an AI/ML-powered multilingual mobile app for effective depression detection in migrant and immigrant communities*, Co-I. Total Support: $99,581. NIH Agreement No. 1OT2OD032581-01.

2023 – 2024 William K. and Katherine W. Estes Fund, Association for Psychological Science and Psychonomic Society. *Applications of machine learning for measuring and modeling psychological concepts via different methods of communication*, Co-I. Total Support: $14,000.

2023 – 2024 *Student Research Grant, Society for Personality Assessment. *Role of informants' well-being in evaluative bias: Effects on informant ratings*, Faculty Mentor of Student PI (Allen). Total Support: $500.

2023 – 2024 *Student Research Grant, Society for Personality Assessment. *Associations between perceiver bias on informant-report personality measures and the informant's personal attitudes toward mental illness*, Faculty Mentor of Student PI (MacQueen). Total Support: $500.

2023 – 2024 College of Humanities and Social Sciences Collaborative Research Cluster Grant, Sam Houston State University. *Canine Psychophysiology: Dog behavioral change assessment using artificial intelligence-based software tools*, Co-I. Total Support: $4,000.

2022 – 2023 Pilot Studies for Future Funding Program Grant, Sam Houston State University. *Machine learning-based sentiment analysis for predicting problematical eating behavior*, Co-I. Total Support: $14,609.

2022 – 2023 *Emerging Scholars Research Grant, Elliot T. Bowers Honors College, Sam Houston State University. *Personality and social environments of video games*, Faculty Mentor of Student PI (Houseman). Total Support: $2,500.

2021 – 2023 National Institute on Disability, Independent Living, and Rehabilitation Research HHS-2021-ACL-NIDILRR-BISB-0023. *My Skills Coach Building Competency Pak: A self-regulating tool for individuals with an intellectual disability with co-occurring behavioral health issues*, Subaward PI. Total Support: $575,000.

2021 – 2022 National Institute on Disability, Independent Living, and Rehabilitation Research HHS-2021-ACL-NIDILRR-BISA-0045. *SteadyGait: A wearable feedback device to help people with Parkinson's Disease reduce falls*, Consultant. Total Support: $100,000.

2021 – 2022 New Faculty Program Research Grant, Sam Houston State University. *Initial exploration of the psychophysiological processes underlying different methods of measurement*, PI. Total Support: $5,000.

2018 – 2019 American Psychoanalytic Association Fund for Psychoanalytic Research. *The moderating role of personality functioning in multimethod assessment of interpersonal dependency: Evaluating implicit – self-attributed test score discontinuity*, PI. Total Support: $5,000.

2015 – 2016 Society for Personality Assessment Student Research Grant. *Does personality functioning moderate implicit – self-attributed test score discontinuities? Elucidating the dynamics of interpersonal dependency*, PI. Total Support: $425.

2014 – 2015 American Psychoanalytic Association Tuition Support for Academics Grant, PI. Total Support: $300.

HONORS & AWARDS

2024	John E. Exner Scholar Award, *Society for Personality Assessment*
March 2024	Diversity Poster Award, *Society for Personality Assessment*
March 2024	Honorable Mention Poster Award, *Society for Personality Assessment*
2023	Martin Mayman Award for Distinguished Contribution to the Literature in Personality Assessment, *Society for Personality Assessment*
March 2020	First Place Poster Award, *Society for Personality Assessment*
2016, 2018, 2019	Faculty Commendation, *Adelphi University*
March 2019	Honorable Mention Poster Award, *Society for Personality Assessment*
September 2018	George Stricker Research Fellowship, *Adelphi University*
March 2017	Honorable Mention Poster Award, *Society for Personality Assessment*
December 2016	Omicron Delta Kappa – National Leadership Honor Society, Induction
2015	Graduate Student Scholar Award, *American Psychological Association (Division 39)*
April 2015	Marcus K. Adams Outstanding Service Award, *EMU McNair Scholars Program*
September 2014	Androulla Youssef Graduate Award, *EMU Psychology Department*
September 2013	Success Scholarship, *EMU College of Arts and Sciences*
April 2013	Scholastic Achiever Award, *Rider University McNair Scholars Program*
April 2012	Psi Chi – The International Honor Society in Psychology, Induction
May 2011	Ronald E. McNair Post-Baccalaureate Achievement Program, Induction

Keynotes & Invited Talks

Natoli, A. P. (2026, September). *Perhaps there is no global model of personality: Efforts to conceptualize and measure personality functioning and pathology across the world.* Keynote Lecture Presented at the 21st Days of Applied Psychology Conference [Дани примењене психологије], Niš, Serbia.

Natoli, A. P. (2026, March). Artificial Intelligence and Machine Learning. In N. M. Cain (Chair), *Assessing personality as it is lived: Integrating context and daily life through technology.* Presidential Panel Presented at the 2026 Annual Meeting of the Society for Personality Assessment, Toronto, ON, Canada.

Natoli, A. P. (2022, September). Invited Guest Speaker for the 18th Annual Research Conference of the Sam Houston State University McNair Scholars Program, Sam Houston State University, TX, USA.

Natoli, A. P. (2022, February). Keynote Presentation at the 2022 Social Psychology Student Research Event, Middlesex University Dubai, Dubai, United Arab Emirates.

Paper Presentations & Panels

Natoli, A. P. (2026, June). Sure, I'll give you directions. In M. Blanchard (Moderator), *Psychodynamic pathways into academia*. Presented as a virtual event hosted by Academics for the Advancement of Psychodynamic Psychology (A2P2), Virtual.

*Barnes, T. & **Natoli, A. P.** (2026, March). Differential explanations of interpersonal problems using different measures of defense mechanisms? Incremental validity of the DSQ-40 and DMRS-SR-30. Presented at the 2026 Annual Meeting of the Society for Personality Assessment, Toronto, ON, Canada.

Natoli, A. P., et al. (2026, March). Personality functioning cannot be separated from culture: Efforts to conceptualize and measure personality functioning across the world. In C. J. Hopwood (Chair), *Personality functioning: Developmental, cross-cultural, and computational perspectives.* Presented at the 2026 Annual Meeting of the Society for Personality Assessment, Toronto, ON, Canada.

Natoli, A. P., et al. (2025, November). Cross-cultural measurement of personality functioning impairment: Where does it stand? In A. P. Natoli (Chair), *Culture and personality disorders.* Presented at the 2025 Congress of the International Society for the Study of Personality Disorders, Boston, MA, USA.

Natoli, A. P. (2025, November). (Re)invigorating psychodynamic scholarship in academia. In M. Blanchard (Chair), *Early career perspectives: A psychodynamic exploration of personality in the current cultural moment.* Presented at the 2025 Congress of the International Society for the Study of Personality Disorders, Boston, MA, USA.

*Sandifer, O. & **Natoli, A. P.** (2025, April). How cognitive behavioral issues affect psychological assessment. Presented at the 2025 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Torres, C. & **Natoli, A. P.** (2025, April). Predicting psychological and social quality of life among college students raised in urban vs rural communities with invariance testing of anger and aggression constructs. Presented at the 2025 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Carmody, C. F. & **Natoli, A. P.** (2025, March). Impact of perceptions of mental illness and the criminal legal system on informant ratings: Implications for violence risk evaluations. Presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

Botero, M., **Natoli, A. P.**, & Harper, J. (2025, March). The impact of stress in cognitive performance in dogs (canis familiaris) and welfare in research. Presented at the 32nd Annual International Conference on Comparative Cognition, Albuquerque, New Mexico, USA.

Natoli, A. P. (2025, March). Assessing general health correlates of the dimensional personality models defined by the Alternative DSM-5 Model for Personality Disorders and the ICD-11's Chapter on Personality and Related Traits. In G. Rossi (Chair) & A. P. Natoli (co-Chair), *Clinical correlates of personality pathology using the AMPD/ICD-11 models*. Presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

Natoli, A. P. (2024, September). Leveraging artificial intelligence to linguistically analyze 13 translations of the Level of Personality Functioning Scale – Brief Form 2.0 & Personality Disorder Severity ICD-11 Scale: An introduction & proof-of-concept study. Presented at the 7th Conference of the European Society for the Study of Personality Disorders, Antwerp, Belgium.

Campbell, B., Kors, S., Levy, K., **Natoli, A. P.**, & Nelson, S. (2024, June). Early career. In A. S. Koenig & J. Porcerelli, (Moderators), *Dialogue with academics at different career stages about career goals and how you might plan a part in this initiative*. Presented at Psychodynamic Psychology in Academia: A Call to Action, Inaugural Meeting of Academics for the Advancement of Psychodynamic Psychology, Virtual.

Natoli, A. P. (2024, April). Defense mechanisms in the ICD-11 chapter on personality disorders and related traits? A network analysis approach. In G. Rossi (Chair), *Structure, clinical relevance, and correlates of the ICD-11 maladaptive traits.* Presented at the 4th World Conference on Personality, Willemstad, Curaçao.

*Allen, L. K., & **Natoli, A. P.** (2024, March). Multimethod assessment's activation of the cardiovascular system: Variability within and between different methods of measurement. In A. P. Natoli (Chair), *Initial explorations of the psychophysiological processes engaged by individuals during multimethod assessment.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Allen, L. K., & **Natoli, A. P.** (2024, March). Role of informants' subjective well-being in evaluative bias: Effects on informant-report measures of personality. In A. P. Natoli (Chair), *An exploration of informant characteristics associated with bias on informant-report measures of personality.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Asan, A. E., Cain, N. M., Dyette, K., *Gottlieb, S., Mulay, A. L., *Murdock, J. G., & **Natoli, A. P.** (2024, March). Inside perspectives to the mentee/mentor relationship. Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Barnes, T., & **Natoli, A. P.** (2024, March). Clarifying relationships between defense mechanisms and variability in self-report test completion time. In A. P. Natoli (Chair), *What do you consider when planning a test battery? An investigation of factors impacting test completion time.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Birkenholz, S. A., & **Natoli, A. P.** (2024, March). Using the HiTOP framework to evaluate relationships between psychological symptoms and variability in self-report test completion time. In A. P. Natoli (Chair), *What do you consider when planning a test battery? An investigation of factors impacting test completion time.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Cromb, J. R., & **Natoli, A. P.** (2024, March). The contribution of personality functioning impairment to evaluative bias on informant-report measures of personality. In A. P. Natoli (Chair), *An exploration of informant characteristics associated with bias on informant-report measures of personality.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Farmer, S. K., & **Natoli, A. P.** (2024, March). Self-report completion time variance: Contributions of individuals' knowledge of and attitudes toward mental illness and mental health services. In A. P. Natoli (Chair), *What do you consider when planning a test battery? An investigation of factors impacting test completion time.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Lesure, B. N., & **Natoli, A. P.** (2024, March). Multimethod assessment's activation of the respiratory system: Variability within and between different methods of measurement. In A. P. Natoli (Chair), *Initial explorations of the psychophysiological processes engaged by individuals during multimethod assessment.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*MacQueen, P. A., & **Natoli, A. P.** (2024, March). Associations between perceiver bias on informant-report personality measures and the informant's knowledge of and personal attitudes toward mental illness. In A. P. Natoli (Chair), *An exploration of informant characteristics associated with bias on informant-report measures of personality.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Murdock, J. G., Dyette, K., Gottfried, E. D., Iwanicki, S., Mulay, A. L., & **Natoli, A. P.** (2024, March). Barriers to ethical and effective mental health care in criminal justice settings: Anticipating and managing issues in the practice of assessment. Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

Natoli, A. P. (2024, March). Variations in test completion time of the Personality Assessment Inventory (PAI) as a factor of psychopathology and other individual differences. In A. P. Natoli (Chair), *What do you consider when planning a test battery? An investigation of factors impacting test completion time.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Rahman, S. N., & **Natoli, A. P.** (2024, March). Personality traits' influences on informants' ratings of personality: Comparisons of evaluative bias between normal and maladaptive traits. In A. P. Natoli (Chair), *An exploration of informant characteristics associated with bias on informant-report measures of personality.* Presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Rodriguez, C. M., Ruchensky, J. R., & **Natoli, A. P.** (2023, March). Comparing psychopathy measures using the interpersonal circumplex. In J. R. Ruchensky (Chair), *Characterizing models of psychopathology using the interpersonal circumplexes*. Presented at the 2023 Annual Meeting of the Society for Personality Assessment, Austin, TX, USA.

Schwartz, S. L., **Natoli, A. P.**, *Farber, M., *Davis, K., Mulay, A., & Pincus, A. (2023, March). An unscripted discussion between supervisors and supervisees about experiences in personality assessment supervision. Presented at the 2023 Annual Meeting of the Society for Personality Assessment, Austin, TX, USA.

*Little, F., & **Natoli, A. P**. (2022, April). Religion and perfectionism. Paper session presented at the 2022 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Murray, S., **Natoli, A. P**., & Ratcliff, C. (2022, April). Differences in the association between religiosity and physical health in college students. Paper session presented at the 2022 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Rodriguez, C. M., **Natoli, A. P**., & Ruchensky, J. R. (2022, April). Distinctions in interpersonal influence tactics between psychopathic personality traits and the Big Five. Paper session presented at the 2022 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Bliton, C., *Jowers, C. E., *Boland, J. K., Dowgwillo, E., Long, T., **Natoli, A. P.,** & Nelson, S. M. (2022, March). SPAGS Presents | Applying to internship: A how-to guide written by successful applicants. Presented at the 2022 Annual Meeting of the Society for Personality Assessment, Chicago, IL, USA.

Krishnamurthy, R., **Natoli, A. P.**, Arbisi, P. A., Hass, G. A., & Gottfried, E. D. (2022, March). A roundtable discussion of the professional practice guidelines for personality assessment. Roundtable session presented at the 2022 Annual Meeting of the Society for Personality Assessment, Chicago, IL, USA.

Mulay, A. L., **Natoli, A. P.**, Pincus, A. L., Schwartz, S., Biedermann, C., David, R., Kennedy, R. C., Laney, J. M., Marek, R. K., Martin, H., Molina, J., Porcerelli, J., H., & Villanueva van Den Hurk. (2022, March). SPA's Education & Training Interest Group presents: Common pitfalls and roadblocks to successful assessment training. Roundtable session presented at the 2022 Annual Meeting of the Society for Personality Assessment, Chicago, IL, USA.

Natoli, A. P., Bach, B., Le Corff, Y., Cottin Arredondo, M., Gritti, E. S., Hutsebaut, J., Lamba, N., & Zimmermann, J. (2022, March). Multi-national evaluation of the measurement invariance of the Level of Personality Functioning Scale – Brief Form 2.0: Comparison of student and community samples across seven countries. Presented at the 2022 Annual Meeting of the Society for Personality Assessment, Chicago, IL, USA.

Natoli, A. P. (2020, March). Assessment case study and supervision. In A. P. Natoli (Chair), *Providing and receiving assessment supervision: Experience and processes*. Presented at the 2020 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA. (Conference cancelled)

Natoli, A. P. (2019, March). Personal experience of supervision: Providing an alternative source for developing assessment skills. In H. Pade (Chair), *Learning Psychological Assessment: A Student Perspective… Finally!* Presented at the 2019 Annual Meeting of the Society for Personality Assessment, New Orleans, LA, USA.

Natoli, A. P., & Bornstein, R. F. (2018, December). *Validating the DSM-5's Level of Personality Functioning Scale: Why don't we use multimethod research designs?* Presented at the Biennial Conference of the Association for Research in Personality, Grand Rapids, MI, USA.

Natoli, A. P. (2018, March). *Process-focused interpretation of multimethod assessment data: A case of reconciling seemingly incongruous test scores.* Paper presented at the 2018 Annual Meeting of the Society for Personality Assessment, Washington, D.C., USA.

Natoli, A. P., & Bornstein, R. F. (2017, March). *Should we consider differential patterns of self and interpersonal functioning during personality assessment? How Criterion A of the alternative DSM-5 model for personality disorders could enhance classification and diagnosis.* Paper presented at the 2017 Annual Meeting of the Society for Personality Assessment, San Francisco, CA, USA.

Natoli, A. P., Lengu, K., Nelson, S., & Huprich, S. K. (2015, March). *Comparing two different methods for measuring object relations when predicting depressive states and traits.* Paper presented at the 2015 Annual Meeting of the Society for Personality Assessment, Brooklyn, NY, USA.

Natoli, A. P., Lengu, K., Nelson, S., & Huprich, S. K. (2014, November). *Comparing two different methods for measuring object relations when predicting depressive states and traits.* Paper presented at the 2014 Graduate Research Conference, Eastern Michigan University, Ypsilanti, MI, USA.

Natoli, A. P. (2013, May). *The therapeutic aspects of photography.* Paper presented at the 2013 Independent Scholarship and Creative Activities Presentations (ISCAP) – Rider University, Lawrenceville, NJ, USA.

Natoli, A. P. (2012, July). *The psychologically beneficial aspects of remembered and forgotten photographs.* Paper presented at the 2012 SUNY – University at Buffalo McNair Research Conference, Niagara Falls, NY, USA.

Poster Presentations

*Abban-Baidoo, E., **Natoli, A. P.,** Ye, J., & Hazra, D. (2026, September). AI-driven classification of sensitive topics in psychotherapy conversations. Poster session presented at the 2026 College of Science and Mathematics (CSAM) Symposium of Student Summer Research, Montclair, NJ, USA. This material is based upon work supported by the National Science Foundation under Award No. 2345303.

*Ocasio, R., **Natoli, A. P.,** Hazra, D., & Ye, J. (2026, September). Toward empathic AI: Curating human therapist-client conversations for emotional and conversational analysis. Poster session presented at the 2026 College of Science and Mathematics (CSAM) Symposium of Student Summer Research, Montclair, NJ, USA. This material is based upon work supported by the National Science Foundation under Award No. 2345303.

*Burlingame, C., *Soumeillant, P., & **Natoli, A. P.** (2026, April). Social support and post-traumatic growth: Moderating roles of attachment anxiety and trauma severity. Poster session presented at the 2026 Montclair State University Student Research Symposium, Montclair, NJ, USA.

*Cano Jaramillo, V., *Zatuchney, K., & **Natoli, A. P.** (2026, April). Trauma, psychoticism, and somatization in college students: The moderating role of social support. Poster session presented at the 2026 Montclair State University Student Research Symposium, Montclair, NJ, USA.

*Cromb, J. R. & **Natoli, A. P.** (2026, March). An exploratory study of ICD-11 personality disorder severity (PDS-ICD-11) and positive functioning: Association with well-being and self-esteem. Poster session presented at the 2026 Annual Meeting of the Society for Personality Assessment, Toronto, ON, Canada.

*Parker, T. R., Scheel, N. L., **Natoli, A. P.,** *Kaur, L., *Holland, S., *Reinke, A., *Quintanilla, J., & Jimerson, S. R. (2026, February). Mapping school climate: The intersection of locale, identity, and safety. Poster presentation at the 2026 National Association of School Psychologists Convention, Chicago, IL, USA.

Islam, A. B. M. R. & **Natoli, A. P.** (2025, July). Initial findings in preparation for building a depression screening for agricultural worker communities in Texas using an AI/ML-powered mobile app. Poster session presented at the 2025 AI for Health Equity Symposium AIM-AHEAD Annual Meeting, Dallas, TX, USA.

*Barnes, T. & **Natoli, A. P.** (2025, March). All the world's a stage: Traumatic symptoms' associations with narrative identity and the potential implications for assessment. Poster session presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

*Birkenholz, S. A., *Farmer, S. K., & **Natoli, A. P.** (2025, March). Comparing religiosity and defense mechanisms across the Defense Style Questionnaire-40 and the Defense Mechanisms Rating Scale-Self Report. Poster session presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

*Cromb, J. R. & **Natoli, A. P.** (2025, March). The potential role of personality traits in multimethod inter-test score relationships. Poster session presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

*Sandifer, O. & **Natoli, A. P.** (2025, March). Associations between cognitive problems and behaviors known to introduce error into psychological assessment. Poster session presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

*Torres, C. & **Natoli, A. P.** (2025, March). Invariance testing of anger and aggression constructs in predicting psychological and social quality of life among college students raised in urban vs rural communities. Poster session presented at the 2025 Annual Meeting of the Society for Personality Assessment, Denver, CO, USA.

*Birkenholz, S. A., *Farmer, S. K., *Carmody, C. F., *Crofford, V. K., & **Natoli, A. P.** (2024, September). How are components of the ICD-11's chapter on personality disorders and related traits linked to college students' beliefs about emotion regulation? Differences between those who have and have not received mental health services. Poster session presented at the 7th Conference of the European Society for the Study of Personality Disorders, Antwerp, Belgium.

*Carmody, C. F., *Farmer, S. K., *Birkenholz, S. A., & **Natoli, A. P.** (2024, September). The role of reflective functioning in people's perceptions of justice-involved individual's personality pathology. Poster session presented at the 7th Conference of the European Society for the Study of Personality Disorders, Antwerp, Belgium.

*Crofford, V. K., & **Natoli, A. P.** (2024, September). Does the Difficulties in Emotion Regulation Scale (DERS) predict interpersonal problems equally well for individuals with and without a personality disorder? Poster session presented at the 7th Conference of the European Society for the Study of Personality Disorders, Antwerp, Belgium.

Natoli, A. P. & Islam, A. B. M. R. (2024, August). Depression screening for migrant worker communities in Texas using an AI/ML-powered bilingual mobile app. Poster session presented at the 2024 AI for Health Equity Symposium AIM-AHEAD Annual Meeting, Atlanta, GA, USA.

*Ashton, C. M., & **Natoli, A. P.** (2024, April). Food for thought: Geographical food access in childhood and concurrent relationships with personality traits and disordered eating features in adulthood. Poster session presented at the 4th World Conference on Personality, Willemstad, Curaçao.

*Farmer, S. K., & **Natoli, A. P.** (2024, April). Investigating how to best conceptualize personality functioning impairment: A network analysis of personality functioning impairment's connection with quality of life. Poster session presented at the 4th World Conference on Personality, Willemstad, Curaçao.

*Garcia, Y., & **Natoli, A. P.** (2024, April). Posttraumatic growth as a moderator of the relation between depression symptoms and quality of life. Poster session presented at the 2024 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Le-Roy, A., & **Natoli, A. P.** (2024, April). Substance use's association with defense mechanisms: Differences between those who have or have not lived with individuals misusing drugs. Poster session presented at the 2024 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Martinez, A., & **Natoli, A. P.** (2024, April). The adaptive defense mechanisms behind high-academic performance: What adaptive defenses predict GPA and other performance metrics over and above general psychological health? Poster session presented at the 2024 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Muñoz, R. S., *Cromb, J. R., & **Natoli, A. P.** (2024, April). The influence of religion: Examining its association with personality. Poster session presented at the 2024 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Sumamait, J. J., & **Natoli, A. P.** (2024, April). Alexithymia's connection with alcohol and substance use: Variations between Hispanic/Latine and non-Hispanic/Latine college students. Poster session presented at the 2024 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Torres, C., Brown, J. F., Sutter, S. & **Natoli, A. P.** (2024, April). Test-Retest reliability of the Emotion Regulation Knowledge Scale in an intellectual developmental disorder sample. Poster session presented at the 2024 Sam Houston State University Undergraduate Research Symposium, Huntsville, TX, USA.

*Birkenholz, S. A., *Paez, M. M., *Rodriguez, C. M., Sutter, S., & **Natoli, A. P.** (2024, March). Test-retest reliability of the Modified Personality Inventory for the DSM-5 Brief Form Plus (PID5BF+M) in student and intellectual developmental disorder populations. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Carmody, C., *Allen, L. K., *Birkenholz, S. A., Sutter, S., & **Natoli, A. P.** (2024, March). Test-retest reliability of the Difficulties in Emotion Regulation Scale (Modified) in student and intellectual developmental disorder populations. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Crofford, V. K., *Rahman, S. N., *Wu, J., & **Natoli, A. P.** (2024, March). Variability in response scale interpretation and its impact on personality test validity. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Cromb, J. R., & **Natoli, A. P.** (2024, March). The potential role of personality functioning impairment in multimethod inter-test score relationships. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Diggett, S., Daly, S., Jones, S., & Draganov, B., Gottfried, E. D., Cain, N. M., Medenblik, A., **Natoli, A. P.**, Nelson, S., Waugh, M. H., & Mulay, A. L. (2024, March). Did you hear my covert narcissism I disguise as altruism? An AMPD interrater reliability study using Taylor Swift's song lyrics. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA. [Received Honorable Mention]

*Farmer, S. K., *Allen, L. K., *Lesure, B. N., & **Natoli, A. P.** (2024, March). Invariance of the Barret Impulsiveness Scale 11 (BIS-11) when predicting alcohol and drug use in female and male college students. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Lesure, B. N., **Natoli, A. P.**, & Ruchensky, J. R. (2024, March). Clarifying the moderating role of self-concealment in self-other personality ratings: Variations across different types of personality traits. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*MacQueen, P. A., *Barnes, T., *Carmody, C., & **Natoli, A. P.** (2024, March). How trauma might affect responding on self-report measures of empathy: Examining the empathy facet of two personality functioning impairment measures. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Murdock, J. G., & **Natoli, A. P.** (2024, March). Improving preemployment psychological evaluations for law enforcement officers: Accounting for context-specific variability in stress and lethal force decision-making. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Rodriguez, C. M., & **Natoli, A. P.** (2024, March). Measurement invariance of two alternative model of personality disorders measures across levels of neighborhood socioeconomic status during childhood. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA. [Received Diversity Poster Award]

*Wu, J., **Natoli, A. P.**, Ruchensky, J. R., & Roche, M. J. (2024, March). Comparing the interpersonal profiles of different forms of impression management using the interpersonal circumplex. Poster session presented at the 2024 Annual Meeting of the Society for Personality Assessment, San Diego, CA, USA.

*Martinez, A., *Crofford, V. K., *Rodriguez, C. M., & **Natoli, A. P.** (2024, February). Test-retest reliability of the Level of Personality Functioning Scale – Brief Form 2.0 in an intellectual developmental disorder sample. Poster session presented at the 2024 Conference of the Society of Clinical Psychology, Atlanta, GA, USA.

Natoli, A. P. (2023, July). Development of a novel performance-based measure of personality functioning impairment. Poster session presented at the Biennial Conference of the Association for Research in Personality, Evanston, IL, USA.

*Scalf, P. G., & **Natoli, A. P.** (2023, July). Variations in interpersonal characteristics associated with different adverse childhood experiences. Poster session presented at the Biennial Conference of the Association for Research in Personality, Evanston, IL, USA.
